7) In the linked file Reference has been made to GO No L 1152-72/MI 128-41-35 dated 28-7-1942. In view of greater powers given to the local Bodies in Town Municipalities according to the KM Act 1964, the Municipal may, at their discretion Provide out of their property and fund either wholly or partly, for any Public Reception, ceremony, entertainment within the Municipality (vide Section 58(o)) The function of giving an address to a gentleman who has donated Rs 30,000/- for the Construction of a High School at the place can be classed as a "ceremony"

of not as a public reception If any doubt is felt as regards the applicability of the clause, the expenditure can be sanctioned under Section 58 (8) Under Section 58(o), no sanction of Govt is necessary if the expenditure is provided in the budget Whereas the expenditure under Section 58(3) requires sanction of Govt ~~that~~

8) Further GO of 1942 ~~has not~~ is superseded by a specific provision in the DM Act 1951, on this subject, as per Section 2 of DM Act 1951, where in it is clearly stated that all orders or notifications issued under the DB Act of 1933 shall be deemed to have been made under the Act of 1951 until superseded by or under the provisions of Act 1951 This is a clear case in which the DB order is superseded by the specific provisions as mentioned in Section 58 In view of the altered conditions since 1942 the Resolution of the MC requesting orders of Govt to spend Rs 250/- from out of the closing balances may be sanctioned as a special case

9) I am afraid I cannot agree with paras 7 & 8. The only change made in Sec 58(c) in the new Act is to do away with the approval of the Govt when a resolution is passed unanimously. There is nothing to indicate that the resolution was passed unanimously in this case. Now that the matter has come up before Govt it has to be examined in all its aspects.

10) It is proposed to present an address to Sri Virupakshappa in recognition of his handsome donation of Rs 30,000/- for a High School Bldg. I feel that there has been sufficient recognition already as the foundation stone of the bldg was laid by HH the Maharaja in August and HH paid a handsome tribute to the donor. The bldg & the school are also named after the donor. I therefore remember the Bldg also refers to the generous gift of Sri Virupakshappa in the address presented to HH by any separate

function to honour Sri. Virupakshappa will be not only superfluous but in bad taste. If the Municipal Council want to show some make a more tangible demonstration of their feelings towards the donor, such a function can be combined with the opening ceremony of the building. A separate function is not called for
